Easy Peanut Butter Fudge

1 jar Jif peanut butter (18 oz)

1 box Betty Crocker Classic White Frosting (not cream cheese frosting)

Put ingredients in microwave bowl. Mix and set timer for 1 min. Repeat this 3 times. Stir after each minute, total time 3 min.

I added some pecans.... your choice.

Line pan or dish 9x9 with foil. Add mixture. Let set overnight, turn out on waxed paper and cut into squares. Very good and very easy.
