

olive salad II

olive salad II

1 jar pepperoncini  
1 can artichoke hearts (drained)  
1 can ripe olives (I usually use 2 cans large)  
1 jar green olives (with pimentos) (large jar)  
1 can water chestnuts (cut in half)  
2 tablespoons oregano  
2 tablespoons parsley  
2 tablespoons Accent  
1 cup salad oil  
1/3 cup vinegar  
3 large cloves garlic (slice down middle, but don't cut in half)

Mix all together & let marinate 2 days. I usually slice a couple stalks of celery & a carrot in with the olives.
